INTRODUCTION

Since 1947 Nesti Dante has prided themselves on manufacturing the most luxurious triple-milled soap bars. A family run business, who have an undeniable passion for the classical Italian craftsmanship of soap-making. Nesti Dante has gained international exposure given their quality product and outstanding presentation.

Nesti Dante bars are:

- Formulated with quality, purity and integrity without compromise
- Made from naturally active premium ingredients, organic wherever possible and uses only pure whole plant oils from sustainable cultivation
- Free of mineral oils, parabens, petrochemicals, sulphates, synthetic surfactants and aggressive ingredients
- Cruelty free and contains no animal ingredients
- Supportive of responsible recycling for all packaging

Upper Canada Soap is pleased to be the exclusive Canadian distributor of Nesti Dante and we look forward to sharing these exquisite bars with Canada!
